

DUMP YOUR JUNK DAY 2019

Saturday, April 27

8am – Noon

(or until bins are full)

LOCATION: Heritage Park - behind the Township Hall at 12803 S. Wacousta Road

NOTE: Please do not line up before 8am, it causes a dangerous backup on Wacousta Road and a long wait time. Watertown Charter Township proof of residency is required. Township residents may make only one trip with trash before 11am.
You must come prepared to unload your own materials!

NEW FOR 2019:

Trailers are limited to no larger than 6' x 10' open trailer.

Based on the amount and contents, you may be rerouted directly to the Granger Wood Street Facility to unload.

We no longer take appliances. Most appliances can be recycled at Padnos in Lansing.

In addition to collection bins for basic household junk, you may also drop off:

- **Scrap Metal:** Unlimited trips.
- **Tires:** Firestone will be on site to collect tires. You may dispose of up to four 16-inch tires per household free of charge.

Items not prohibited below will be accepted.

PROHIBITED WASTE. The following prohibited wastes *cannot* be accepted under any condition or from any source: Hazardous wastes and hazardous containers/labels. Hazardous wastes are materials that are ignitable, corrosive, reactive, and/or toxic, as well as listed wastes such as pesticides, herbicides, solvents, and their containers. Explosives, ammunition, firearms, low level radioactive waste, and radioactive labeled containers, PCB's, lead, acid batteries, liquid wastes (or free liquids), sewage and septic waste, oil-based paint, used oil, and materials that may adversely affect the liner or leachate system. Asbestos, empty drums, medical waste, yard clippings or yard waste, fluorescent tubes, fluorescent light ballast, and used beverage containers (such as \$0.10 deposit cans and bottles).

***SPECIAL WASTE.** The following special wastes can be accepted *if* the specific conditions indicated are met: Compressed gas cylinders (must be empty and disabled), electronic waste and e-waste (only from households and exempt generators), household paint (must be completely dried out with the lids off, home improvement stores carry a product to dry out paint).

*These materials can often be recycled. For information, visit Clinton County Department of Waste management at www.clinton-county.org/345/Hard-to-Recycle-Dispose-of-Materials.
